

AWANA 2019-2020

PARENT RESOURCE GUIDE

Dear Awana Parents,

Thank you for having your child in Awana. The new Southwinds Awana program will be utilizing the fantastic Awana curriculum for all three clubs but will not require the use of the Awana books to bring each night. Every child will be given a single sheet handout of the nights Bible Passage/Key Verse that was discussed in large and small group time. Parents are encouraged to help their child memorize the Key Verse each week at home. This handout will have additional questions and activities for you and your child to do during the week and brought back the following week signed by you to confirm it has been completed. The handout activities are optional and not required to attend Awana.

If you would like your child to have an Awana book at home to review and/or follow along yourself, please see the links below to the Awana Store website for purchase.

CUBBIES (3-4 years of age)

If you would like to have a Cubbies HoneyComb book to review with your child at home, please see the following links where to purchase a book.

- HoneyComb Handbook with Audio Download: <https://www.awana.org/product/honeycomb-handbook>
